MASTER 2 ENVIRONMENTAL, ENERGY AND TRANSPORTS ECONOMICS  
CLASS : DATA ANALYST FOR SPATIAL AND ENVIRONMENTAL ECONOMICS  
2<sup>ND</sup> SEMESTER 2020-2021**

**I. M. P. O. R. T. A. N. T.**

1. The schedule of the convocation is indicated on the convocations or notices which serve as such. For the written exams, the students must be present 30 minutes before the beginning.
2. The access to the exam room is forbidden to any candidate after the envelope(s) containing the subjects have been opened; no exception will be tolerated. This rule is indicated on the convocations or notices which serve as such.
3. The students must put down their bags, pencil case, binders, at the entry of the exam room.
4. The subjects are distributed face against the table and can't be returned before the person in charge indicates the beginning of the exam.
5. No candidate is allowed to move and leave definitively the room before one-third of the length of the exam once the subjects have been distributed, even if they hand out a bland copy.
6. The candidates stop to write to compose as soon as the person in charge indicates the end of the exam. To respect this rule, it is recommended to the persons in charge to require that the candidates stand up when the end of the exam is indicated.
